CIVIC INFRASTRUCTURE SERVICES

NATIONAL INSTALLATION AND MAINTENANCE SERVICES

COMPANY PROFILE

CIVIC Infrastructure Services brings over three decades of expertise to the forefront, specialising in the installation, maintenance and condition auditing of open space infrastructure products. CIVIC's offerings include restrooms and change rooms, shelters, pedestrian bridges, boardwalks, street and park furniture, public barbecues, playground equipment and road signage.

PRODUCTS AND SERVICES

CIVIC Infrastructure Services excels in national installation services, providing comprehensive project management and installation solutions through its team of adept project managers and skilled installers.

CIVIC Infrastructure Services delivers responsive and top-tier maintenance services of open space structures, street and park furniture, playground equipment, road signage and more. Its qualified team ensures safety, compliance and meticulous care for all valuable assets. With a wealth of inhouse technical expertise, a national service footprint and specialist contractor support is provided.

Dedicated to delivering quality service, CIVIC provides its clients with a succinct plan comprising of an asset inventory list, asset condition report and a prioritised maintenance plan. This empowers clients with the necessary information to uphold the safety, quality and functionality standards of their assets while facilitating effective asset management and budget planning.

PROJECTS

- Powerlite installation | NSW
- Asset maintenance | Shepparton VIC
- Pedestrian Bridge installation | Karratha WA
- Shelter installation | Camden NSW
